

2010 a year of change and Technology for Turner Support!!!

Well it's already February 2010! We have been frantic to bring you a new website!!
Take a look! www.turnersyndrome.co.nz

Welcome all who have logged on and found us – hope you enjoy the experience.

As most of you are aware we have had our funding dropped for the newsletter so the goal at this stage till that is resumed is to notify members of any news via email this keeps our costs and time down, and we will send you a link to the website. So log on and give us your email address (even if you think we have it – this will ensure we have the correct email address and can keep in touch).

We are hoping the website will be a great tool to keep in touch, so add it to your favourites to keep in touch.

Up coming events are:

For more information please click on Ladies Leadership Course
Under **Events** on the website.

Already we have had a busy year with the youth camp in January with 19 girls attending and all had a fabulous time – look out for news in the next couple of months on next years camp!!!

Check out our FaceBook page (<http://www.facebook.com/pages/TSSG-NZ/212846682016>) to keep in touch with long lost friends!

Please help us by logging on and sending us your email address so we can make this transition to web based news work.

All the very best for 2010 and we will bring you up to date after the AGM with our plans for 2010!!

We would love input from you on what you would like to read about or if you have a story (maybe your own story) we would love to hear from you. info@turnersyndrome.co.nz
