

Hi Everyone,

Where has this year gone!!

We are unable to get funding at this point for the newsletter so this is just to keep you in touch with what's coming up.

The main thing at the moment is the End of Year Get Together and last meeting for 2009, on Saturday 21 November which will be great fun.

We are also wanting to upgrade our website to allow everyone to view information and keep in touch. With losing the funding for the newsletter we are hoping to be able to communicate more thru the website (we are still working on this). We will keep you posted.

If possible please send us an email so we know we have your updated details.
